

RADIANCE OF THE SEAS®

Maiden arrival in Sydney 15 Oct 2011

We've had the renovators in! I was just going to have a spruce up but my parents decided to give me a full makeover. It is my first time down to Australia and I wanted to look my best. So just a few million dollars later and I now have a host of new toys.

I have loads of international cuisine choices including Brazilian, Mexican, Japanese and Italian. I have a brand new outdoor movie screen, a new pub and I'm technologically fit with WiFi throughout. All this and lots more!

I was great beforehand but look at me now. Check out my pics, check out my curves, check out my prices and check in to my fresh new cabins.

Radiance of the Seas
Australia's newest and most innovative superliner

Take a sneak peek at my new toys!
